RIVARD
Manufacturer & Body builder

EUROPA Recycler
*Municipal combination unit*

Versatility
5 tanks conception
Optimized volumes
Filtration circuit isolation
at any time

Safety
Efficient and safe
work and health conditions
Maintenance on equipment
without entering into the tank

Productivity
Autonomy
Automatic cleaning system
Automatic boom fold

Ergonomy
Jetting & vacuum coupled
95% of sewage operations
without hose handling

< 3,90m

< 11m

The **EUROPA** Recycler combination borrows the key functions of the **EUROPA** RIVARD such as the telescopic arm associating HP and vacuum or the storage cassette for the suction hose.
The 5-tank design of the **EUROPA** Recycler offers great versatility and excellent autonomy.

The performance and the tolerance of the pumps combined with the automatic cleaning systems of the filtration networks allow an instantaneous passage from rebreather mode to combined mode.

Technical features

EUROPA Recycler
Municipal combination unit

Work zone :
180° without hose connection
Multifunction boom + storage cassette
Suction hose reel DN 127/DN 150
length 17m

Stainless steel tank : 19 200l
Clean water capacity max. : 5 200l
Recycled water capacity max. : 2 700l
Sludge capacity max. : 11 300l
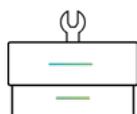

Jetting pumps :
340l/min - 175 bar - 160hp

Rotary lobe vacuum pump :
2 500 m³/hr in free flow
3 980 m³/hr in free flow

Radio remote control +
wire remote control

Main jetting hose reel 150m 1"
Secondary jetting hose reel 80m 1/2"

Closed storage for suction hoses
P.P.E. and personal belongings lockers
with hand washer
Wardrobe

32t

Options and variants

- Optimum function
- Side panels
- Retractable 3/8" reel
- Lifting winch
- Led lighting of the work zone
- Flash lights
- 1 or 2 storage reels 40m in DN 80 or 15m in DN 100
- Very low temp. system from 1 to 3
- Brushed stainless steel flap

- Stainless steel waste collector
- Filling hose on opening background door
- Pneumatic filling and / or purging valves
- Double pilot / water meter
- Settling valve
- Liftable R.U.P
- 360° Camera
- Load limit indicator
